# CARES Act Provider Relief Fund: Phase 3

Dear Members,

The US Department of Health and Human Services (HHS) recently announced a next phase of relief funding for pediatricians and other providers who have experienced lost revenue and increased expenses due to COVID-19. If you were eligible for a previous Provider Relief Fund payment, you can apply now for additional funding beyond the 2% from Phases 1 and 2. If you started a new practice between January 1-March 31, 2020, you may be eligible for a payment.

The deadline to apply for these funds is November 6. AAP recommends that all pediatricians who believe they may be eligible for these funds apply now.

**Please visit [this HHS website](#) to apply for these funds.**

AAP recently updated its [FAQ page](#) with more information on these funding opportunities. If you have any questions or concerns, please send them to [covid-19@aap.org](mailto:covid-19@aap.org).
