

PHOENIX CHILDREN'S COVID-19 COMMAND CENTER

**COVID-19 VACCINE DEVELOPMENT WEBINAR, MONDAY, FEB.
8, 2021**

On Monday, Jan. 25, 2021, nearly 200 employees joined Drs. Stull and Bauer for their webinar on the development of both approved COVID-19 vaccines. Since then, we continue to learn more and more types of vaccines get closer to being available. Most notably, AstraZeneca, Johnson & Johnson and Novaax have all reported positive findings in the last few days.

Join us again on Monday, Feb. 8, 2021, at noon for a Zoom webinar with Drs. Terry Stull and Cindy Bauer as they discuss the latest on the science, the safety and the efficacy of the available vaccines and those in development. Click the link below to register for the Zoom event and bring your questions. Drs. Stull and Bauer will answer questions submitted in Chat during the Zoom presentation as time allows.
